The Society caters for collectors of Irish philatelic material and publishes a quarterly publication – *Journal of Irish Philately*. Amongst the areas of interest to our members are:-

Pre stamp material, Irish Postal history from earliest times, GB stamps used in Ireland, Registered, Express and Censored mail, Postage due items, the Transition Period (1916-25), Irish overprints on GB stamps (1922-35), First Day Covers, Airmails, including first flights, Maritime mail, Destination mail, Postmarks and Cancellations of all sorts and above all the Stamps themselves from Overprints to Modern material, anything Irish in fact, and that includes Northern Ireland just as much as the Republic.

Amongst the benefits of membership of The Irish Philatelic Circle:-

- Quarterly journal ("Irish Philately") in full colour
- Annual specialised illustrated listing of all new issues, postmarks, stationery, slogans etc. with "That Was The Year That Was" in full colour
- Annual general meeting and display competition which rotates between Dublin, Belfast and London
- Quarterly auctions for members to buy and sell
- Access to members' area on website containing a range of back issues of the Journal and articles
- and the means to contact those with a common philatelic interest
- 

The majority of our members are in Britain and Ireland but we have members from all around the World and you are welcome to join us wherever you may live.

In addition to the quarterly Journal, the Society publishes each March an annual *That Was The Year That Was* supplement which records in detail all Irish stamp issues, varieties, special event and slogan postmarks, presentation packs, society and exhibition souvenirs issued during the previous year. Special features include a detailed record of all definitive booklet and coil printings and a list of slogans used at the various Mail Centres. This publication has been produced by the Society for over 35 years and has become the effective publication of record of modern Irish philately.

To find out more please contact our Treasurer, (address overleaf) who will be pleased to answer any questions or check out our website at <http://www.irishphil.com>

A selection of recent articles from *Irish Philately* is available on the website which is changed from time to time but to get the full content you will need to become a member. The Members' Area is available only to members of the Irish Philatelic Circle and contains a growing library of information that is generally not readily available elsewhere together with details of other projects being undertaken by the Membership.
